Beal Secondary School and later, the University of Western Ontario to study Political Science and Economics.

## A Fundraising Gala

On 10 November, the same the day when we learned that the *Conservative Party of Canada won 2 out of 4 bi-elections*, we held the most successful fund raising event in the history of London Fanshawe EDA and indeed, of the year to date for all London area riding associations. The over 200 members and supporters present were regaled with down east fiddle music and then a sumptuous meal, with a good time had by all.

## What the Conservatives are doing for London Fanshawe

Our Conservative Government cares about London East and creating jobs for our city. The Opposition claim that the Conservative Government does not support the citizens of Ridings with Opposition MP's is rather misleading.

**NDP MP's** also try to take credit for Infrastructure Funding and other Government jobs initiatives in our riding, but they **actually voted against all funding for London**. The chart below shows the information you should know.

Conservative Government initiatives for all of London and particularly London Fanshawe	Votes for you	NDP record
Canada Summer Jobs Funding (\$350,383)	√	X
Recreational Infrastructure Funding (\$2 Million)	√	X
